

# Arrow Engine Reman Program

## 220 330 330TA

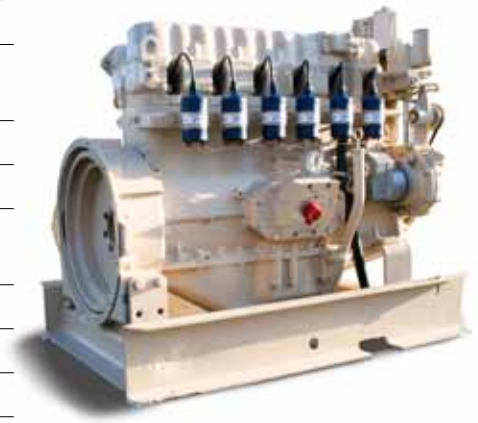

Stewart & Stevenson, your engine and gas compression service provider, remanufactures Arrow Models 220, 330 and 330TA into high quality, cost-saving replacement units. Rebuilt with OEM parts and load tested on our inhouse dynos, Stewart & Stevenson's remanufactured Arrow engines come complete with a factory OEM warranty. Advantages of our reman program include:

- Single pricing
- Engines in stock and ready for shipment
- Reduces the costs and logistics of stocking parts and spares at your location
- Significantly reduces down time
