DRIVING TRANSMISSION TECHNOLOGY®

## TRACTOR SERIES

# New Allison TC10 TS Transmission For Tractors IDEAL FOR BOTH CITY & HIGHWAY DUTY CYCLES

## SUPERIOR FUEL ECONOMY

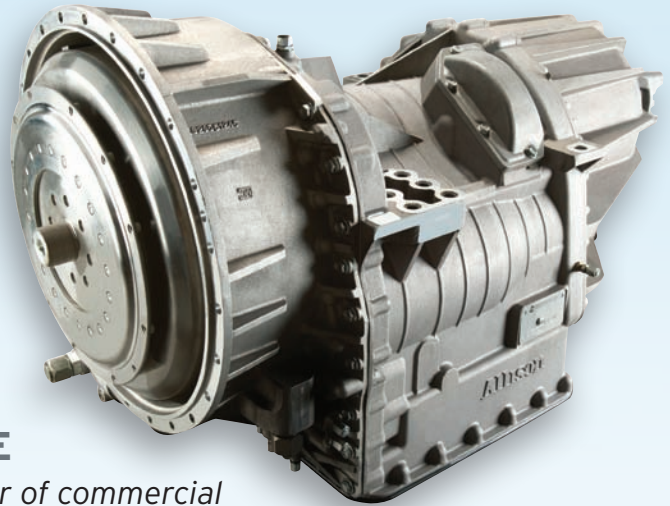

- Impressive in city duty cycles
- Remarkable in highway duty cycles

## GREATER PRODUCTIVITY

- More deliveries per day
- Enhanced logistics/route flexibility
- Safer driving experience

## PROVEN RELIABLE & DURABLE

- Allison is the world's leading manufacturer of commercial transmissions – over 5 million produced
- Rock-solid engineering excellence – backed by an outstanding warranty

## BLENDED ARCHITECTURE – THE BEST OF BOTH WORLDS

- Full power shifts
- Torque converter
- 10-speed twin countershaft gear box

**Revolutionary design that's a true automatic, not an automated manual**

## TWIN COUNTERSHAFT = GREATER ON-HIGHWAY FUEL ECONOMY

- High mechanical efficiency
- Low spin-losses

## POWER SHIFTS AND TORQUE CONVERTER = GREATER PRODUCTIVITY AND BETTER MANEUVERABILITY

- Smooth, efficient launch
- Drivability second to none
